Grimsby, ON L3M 4E8

“Putting It All Together; Managing the Individual with Complex Care Needs”

8:00 a.m. Registration and Breakfast

8:45 a.m. Welcome and Opening Remarks

9:00 a.m. ABI and Complex Behaviours

Presenter: **Dr. Bruce Linder, Psychologist**
Clinical Director, Brain Injury Services

This presentation will provide a case study of a client with significant and ongoing behaviours subsequent to an ABI. The client with behavioural challenges requires specialized rehabilitation and personal supports while retaining a focus on maximizing independence.

10:00 a.m. Guiding the CAT File and Preparing for Settlement

Presenter: **Mr. Michael Winward**
Mackesy Smye, LLP

The catastrophic ABI file requires specialized attention from the personal injury lawyer. Focus on the ABI and tort claim are crucial to ensure medical and rehab potential are reached while preparing for maximum settlement to support lifelong needs.

10:45 a.m. Refreshment Break & Networking

11:00 a.m. Future Care Reports for the Client with Complex Care Needs.

Presenter: **Carol Bierbrier & Associates**

Future care reports detail the specific rehabilitation, medical and equipment requirements of the client post settlement. This presentation will outline the specific requirement of the client with complex care requirements and how they differ from a mild ABI.

12:00 p.m. Networking Lunch

1:00 p.m. Structured Settlements and Catastrophic Claims

Presenter: **Mr. Barry Chobotar, B. Comm., LLP; Henderson Structured Settlements**

This presentation will demystify the structured settlement. Mr. Chobotar will review basic terms and concepts of a structured settlement and detail why structured settlements are important to the complex care file and catastrophically injured claimants.

2:00 p.m. Refreshment Break & Networking
